OUR FOUNDER & PRESIDENT

Most. Rev. Dr. **M. DEVADASS AMBROSE**
D.D., L.S.S., S.T.D.,

Bishop of Thanjavur

Our institution is
Empowering the Young through Higher Education.
We teach with compassion bringing "High tech with high health care".

Our Lady of Health School & College of Nursing

Welcome you all

*" Education is the power to think clearly,
the power to act well in the world's work,
and the power to appreciate life "*

Brigham Young

The background of the entire page is a photograph of a large, multi-story building with a yellow and white facade. The building has arched windows and a central entrance. A sign on the building reads "OUR LADY OF HEALTH SCHOOL & COLLEGE OF NURSING".

OUR LADY OF HEALTH SCHOOL & COLLEGE OF NURSING

MISSION

Our Lady of Health School and College of Nursing focuses on the empowerment of the student nurses professionally, ethically, spiritually, morally and culturally irrespective of caste, creed and colour. Our college prefers candidates from low socio economic status whose self development will help to improve the status of their families in society. The student nurses are trained to serve the sick who need promotive, preventive, curative and palliative aspects of health care.

VISION

The school and college lay stress on high-tech health care delivery system by training health care professionals with desired knowledge, skill and attitude. The institution also believes in translating the latest trends in nursing education technology and practice to meet the needs of the society as an expression of Christian concern for the sick and the suffering.

FOUNDATION

The Diocese of Tanjore Society was started in 1958 after creation of the 'Diocese of Thanjavur' in 1953. The Society started hospitals, dispensaries and orphanages in order to cater to the needs of the sick and needy. The Society started the Our Lady of Health hospital in 1961 at Thanjavur. Our Lady of Health School of Nursing was started in the year 2007 & College of nursing was started in the year 2008.

LOCATION

Our Lady of Health School & College of Nursing is located in the heart of the Town sprawl over 7 acres and just 1 km from the Railway Station and 3 kms from the New Bus stand, Thanjavur.

PHILOSOPHY OF THE COLLEGE

The faculty of Our Lady of Health School & College of Nursing believes that :

- ★ Nursing contributes to the health services in a vital and significant way through its health care delivery system. It recognizes national health goals and is committed to participate in the implementation of National Health policies and programmes. It aims at identifying health needs of the people, planning and providing quality care in collaboration with other health professionals and community groups.
- ★ Nursing deals with preventive, promotive and curative services to the people all through their life span in a wide variety of health care settings.
- ★ Comprehensive and holistic component of the Nursing care is based on nursing theories in Nursing Practices.
- ★ Professional education in Nursing is a continuous process based on concepts of nursing practice which is promoted by providing education to the nurses at various levels.
- ★ Developing critical thinking skills, competencies and standards required for practices of professional Nursing and Midwifery among Nursing students to provide quality care to the clients.
- ★ Providing adequate facilities which will facilitate creative thinking and self directed learning for the Students and faculty.
- ★ Preparing efficient Nurse Leaders, Educators & Practitioners through higher education which helps in promoting quality in Nursing.
- ★ Promoting /developing a scientific research attitude will help in meeting the issues and challenges confronting the nursing profession today.
- ★ Promoting personal & professional growth of students & faculty.
- ★ The teachers have the responsibility to be the role models and to create learning environment that enables students to acquire an inquiry drive, self directed learning and foster an attitude of lifelong learning.
- ★ Through Under graduate & Post graduate nursing education programmes, preparing its students to become exemplary citizens by adhering to code of ethics and professional conduct at all times in fulfilling personal, social and professional obligations so as to respond to national aspirations.

OBJECTIVES

To Prepare

- ★ Nurse practitioners who are able to practice at various settings by applying Nursing process.
- ★ Nurse Educators to demonstrate skill in teaching / learning by using various modern Educational Technologies.
- ★ Nurse administrators and leaders for effective administration and management, at various professional settings through efficient administrative principles and practices.
- ★ Nurse Researchers who are able to conduct independent research by developing creative thinking in applying research methodology.
- ★ Nurse professionals by encouraging career development through staff development programmes.
- ★ Nurses to appreciate social and ethical obligations from the society.

LIBRARY

We are proud to say that our Library is extensive, well ventilated, and spacious with comfortable seating arrangements. There is a full time qualified and well experienced Librarian who manages the Library. There is a separate journal section. Our Library is computerized too, providing E-Library with internet facility.

FEES

All the students are instructed to make payments in four installments, on time without fail. The fees structure is liable to change at any time, bearing in mind the inflation prevalent in the country. Other fees, if any, will be brought to the notice of candidates on selection.

A student who discontinues the course after admission but before the commencement will not be entitled for refund of the fees already paid to the Institution unless the seat that has fallen vacant due to the discontinuation, is filled up by another candidate. In such case, an account equal to 10% of the total fees payable will be deducted as service charges.

If the student discontinues during the course period for any other reason will have to pay the fees for the remaining period of the course to the Institution.
